PDF Viewer Web Site: <http://www.tracker-software.com>

We also have offices and representatives in several other locations including: United States, France, Germany and Ukraine - in some instances after an initial contact with our UK office you may be referred to one of these locations if appropriate.

Construction Rates have secured the rights to resell the PDF Software with the addition of additional software and help files to allow fast take-offs of measurements from PDF file and export the measurements directly in to Windows Excel Full Version.

I've lost my License information.

If for any reason you need to re-install any product purchased from us and no longer have your license info - please send an email to support@tracker-software.com containing as much info as possible regarding you and your purchase details : Product, the purchaser's name and email address - and a physical address including Construction Rates UK - if you know the receipt number - even better.
