All rights not specifically granted in this EULA, including Federal and International Copyrights, are reserved by AMAYETA and its suppliers.

6. Limited warranty and disclaimer

(a) LIMITED WARRANTY. AMAYETA warrants that, for a period of ninety (90) days from the date of delivery (as evidenced by a copy of your receipt): (i) when used with a recommended hardware configuration, the Software will perform in substantial conformance with the documentation supplied with the Software; and (ii) the physical media on which the Software is furnished will be free from defects in materials and workmanship under normal use.

(b) No other warranty, except as set forth in the foregoing limited warranty, AMAYETA and its suppliers disclaim all other warranties, either express or implied, or otherwise including the warranties of merchantability and fitness for a particular purpose. Also, there is no warranty of non-infringement, title or quiet enjoyment. If applicable law implies any warranties with respect to the software, all such warranties are limited in duration to ninety (90) days from the date of delivery. No oral or written information or advice given by AMAYETA, its dealers, distributors, agents or employees shall create a warranty or in any way increase the scope of this warranty.

(C) (USA only) some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other legal rights that vary from state to state.

7. Exclusive Remedy

Your exclusive remedy under Section 6 is to return the Software to the place you acquired it, with a copy of your receipt and a description of the problem. AMAYETA will use reasonable commercial efforts to supply you with a replacement copy of the Software that substantially conforms to the documentation, provide a replacement for defective media, or refund to you your purchase price for the Software, at its option. AMAYETA shall have no responsibility if the Software has been altered in any way, if the media has been damaged by accident, abuse or misapplication, or if the failure arises out of use of the Software with other than a recommended hardware configuration.

8. Limitation of liability

(a) Neither AMAYETA nor its suppliers shall be liable to you or any third party for any indirect, special, incidental or consequential damages (including damages for loss of business, loss of profits, business, interruption or the like), arising out of the use or inability to use the software or this EULA based on any theory of liability including breach of contract, breach of warranty, tort (including negligence), product liability or otherwise, even if AMAYETA or its representatives have been advised of the possibility of such damages and even if a remedy set forth herein is found to have failed of its essential purpose.

(b) AMAYETA's total liability to you for actual damages for any cause whatsoever will be limited to the greater of \$100 US Dollars or the amount paid by you for the software that caused such damage.

9. Basis of Bargain

The Limited Warranty, Exclusive Remedies and Limited Liability set forth above are fundamental elements of the basis of the agreement between AMAYETA and you. AMAYETA would not be able to provide the Software on an economic basis without such limitations.
